This Water User Contract, made and entered into by and between _____ (please print name), known to and referred to as Customers, and SOUTH WOODFORD WATER, 117D Crossfield Dr., Versailles, Ky., 40383, hereinafter known and referred to as WATER DISTRICT:

WITNESSETH:

The undersigned Customer does hereby agree to purchase water from the Water District and to pay all initial installation and connection fees, together with all standard monthly water charges which may be fixed by The Board of Commissioners of the SOUTH WOODFORD WATER DISTRICT and/or Utilities Regulatory Commission for the Commonwealth of Kentucky. The Customer agrees to pay each consecutive monthly payments, at all appropriate rates, for water service, when due, and to further comply with, and be bound by, the provisions of the policy and/or amendments of the Water District together with such rules and regulations as may, from time to time, be adopted by the Water District. (WATER SERVICE STARTS WHEN A NEW METER IS INSTALLED, EVEN IF CUSTOMER HAS NOT ATTACHED A SERVICE LINE.)

The Customer agrees to permit the Water District to lay, maintain, repair, remove and disconnect a service line and meter, and read such meter at a point on Customer's property to be designed by the Water District, and further to grant a Water Line Easement to the Water District for the construction and operation of said water line.

The Customer will install and maintain a service at his own expense, which service line will begin at the water meter and extend to the dwelling or other portions of Customer's property. The Customer assumes responsibility for any damage to metering equipment in making such connection to the meter or water main.

The Customer agrees that the water meter may be located at any point along the Customer's property, at the closest point to the existing water line, or at some other point which is deemed to be most cost effective to the Water District. "This institution is an equal opportunity provider and employer."
